2017

Le vendredi 24 novembre 2017, la FFMI, en partenariat avec AFNOR Certification et le CNPP, organise une matinée d'information et d'échanges autour du SSI. La matinée se déroulera à l'auditorium de la Maison de l'Assurance au 26 boulevard Haussmann.

Créée fin 2013, la certification I93 valorise les structures exerçant les missions de coordination SSI. Fruit du travail et

de la mobilisation des coordinateurs SSI eux-mêmes, et en particulier de la Fédération Française des coordinateurs SSI (FFACSSI), la création de cette certification APSAD, délivrée par le CNPP Cert, est la réponse concrète à un
